for Advanced Partnership
in Science and Education

First SINAPSE workshop

Italian-Swedish Dialogue on Fabry Disease Care Pathways

13 April 2026

Royal Continental Hotel, Aragonese Hall
(Naples, Italy)

08.30-08.45 Registration

09.00-09.10 Opening Remarks

09.10-09.30

Regional Center for Rare Diseases of Campania,
Monaldi Hospital, Naples
Giuseppe Limongelli, Naples

PLENARY SESSION

Chairs: **Emanuele Bobbio, Daniela Esposito**

09.30-10.00

KEYNOTE LECTURE:

Risk of Sudden Cardiac Death in Inherited and *Rare Diseases*: Clinical Implications and Preventive Strategies
Ahmad Amin, Amsterdam

Scientific Talks

10.00-10.20

Fabry Disease Care Pathways in Italy
Elena Biagini, Bologna

10.20-10.40

Fabry Disease Care Pathways in Sweden
Dimitrios Chantzichristos, Gothenburg

10.40-10.55 **Coffee Break**

10.55-11.15

Ongoing Projects and Future Perspectives in
Fabry Disease and Cardiovascular Complications
Maria Blomqvist, Gothenburg

Round Table

11.15-12.15

Integrating Approaches to Fabry Disease: Perspectives from Italy and Sweden

Chairs: **Emanuele Bobbio - Entela Bollano - Paolo Calabrò**

Suggested structure and subtopics:

- Enhancing Knowledge and Care in Fabry Disease through Bilateral Collaboration
Giuseppe Limongelli, Margherita Ruoppolo, Naples - Gustav Smith, Gothenburg
- MetabERN and GUARD-Heart – Opportunities and Challenges
Ahmad Amin, Amsterdam - Maurizio Scarpa, Udine
- Building Cross-Border Registries and Biobanks: Lessons from Ongoing Initiatives
Dimitrios Chantzichristos, Gothenburg - Diego Ferone, Genoa Gianluigi Savarese, Stockholm
- Transition care in Fabry disease
Jovanna Dahlgren, Gothenburg - Giancarlo Parenti, Guido Iaccarino, Naples - Josefine Petersson, Gothenburg

Lectures

12.15-12.45

KEYNOTE LECTURE:

From Networks to Missions: Building a European Strategy for Rare Diseases
Maurizio Scarpa, Udine

12.45-13.10

INVITED LECTURE:

Science Diplomacy and International Partnerships in Biomedical Research
Eduardo Bossone, Naples

13.10-13.20

Concluding Remarks

13.20

Working Lunch
